

Product Description

HID-PrimaVision for SDW-TG

Lightweight, one-piece electronic gear for 50W and 100W SDW-TG lamps (mini White SON)

Benefits

- Minimal lamp power tolerance gives optimal lamp performance
- Reduces colour differences between lamps and reduces initial lumen spread
- Silent operation
- Performance is independent of mains voltage
- Easy luminaire design-in
- High quality means results in trouble-free installations

Features

- Available as Standard (/S) version for use in a luminaire, or with separate strain relief for independent use on a (false) ceiling
- Minimal lamp power spread
- Lamp end-of-life detection
- High T
- Long lifetime of 40,000 hours
- Independent use with separate strain relief
- High quality (< 500 ppm)
- High standard of quality thanks to excellence in development and manufacturing processes

Application

- Shop lighting (creates a cosy atmosphere, e.g. in furniture shops), excellent display of fresh goods (e.g. in butcher's shops, bakeries, florists)
- Suitable for indoor use only
